

Job Title: Technical Business Analyst

Location: Bengaluru

Employment Type: Full-time

About Us:

Advantal Technologies Ltd is a trusted offshore software development and IT services provider, delivering innovative solutions to businesses worldwide. We are expanding our team and looking for a skilled **Technical Business Analyst** to bridge business needs with technical solutions.

Key Responsibilities:

- Gather, analyze, and document business requirements from stakeholders.
- Translate business needs into functional and technical specifications.
- Collaborate with development, QA, and design teams to ensure requirements are clearly understood.
- Conduct gap analysis and feasibility studies for proposed solutions.
- Prepare process flows, user stories, use cases, and wireframes as needed.
- Assist in solution design, data mapping, and integration requirements.
- Support UAT (User Acceptance Testing) and provide post-deployment assistance.
- Ensure project documentation is up to date and aligned with industry standards.

Requirements:

- Bachelor's degree in Computer Science, IT, or related field.
- 3–6 years of experience as a Business Analyst in IT/software projects.
- Strong understanding of SDLC, Agile/Scrum methodologies.
- Ability to write detailed BRDs, FRDs, and user stories.
- Technical knowledge of APIs, databases, and system integrations preferred.
- Excellent communication, analytical thinking, and problem-solving skills.

What We Offer:

- Opportunity to work on diverse, global projects.
- Growth-oriented environment with continuous learning.
- Competitive compensation and benefits.

How to Apply:
